## **Coronavirus COVID-19 Update**

Dear Parents,

Due to the COVID-19 pandemic that continues its rapid spread across the City of Toronto, Growing Tykes Learning Centre (GTLC) will be suspending operations effective **Immediately** until further notice. Our decision aligns with the recent changes implemented by the City of Toronto and all daycare centres within the Toronto District School Board.

We encourage all parents to keep your children home as per the recommendations of Toronto Public Health, City of Toronto and the Provincial Government.

While we understand and sympathize this may be challenging for families, our primary goal at Growing Tykes Learning Centre is the health, safety and wellbeing of your children, your family and our staff members.

This decision is a strict precautionary measure to maintain that mandate.

We strongly encourage you to follow all the recommendations such as self-isolation if exposed or travelled outside the country. Practicing social distancing, cancelling travel, and washing hands are just a few important ways we can beat this virus.

If you have any questions, kindly leave a message or send an email and we will respond as soon as possible. Please check our website from time to time for updates.

On behalf of the Board of Directors, executive team, supervisors and all our staff we thank you for your understanding and co-operation. We wish you and your family well and look forward to seeing you all soon.

Thank you.
